

Pressure Mapping Results

The Serenity mattresses have been independently pressure mapped, showing amazing results.

Serenity Hybrid Average Pressure With Air

Average Pressure (mm Hg) = 23.5

Contact area (cm²) = 2740

Serenity Hybrid Average Pressure Without Air

Average Pressure (mm Hg) = 22.2

Contact area (cm²) = 3340.32

Serenity Comfort Average Pressure alternating

Average Pressure (mm Hg) = 22.7

Contact area (cm²) = 2896.77

Serenity 2 Average Pressure Alternating

Average Pressure (mm Hg)=25.6

Contact Area (cm²) = 3956.45
